

RE: Number Family learning day (Reception- Year 6)

Friday 21st June 2019

Dear parents and carers,

This term we have decided to incorporate a Maths day into our family learning. On **Friday 28th June**, we would like to invite you into the classroom to experience a taste of our Maths Inspire curriculum. You will have the opportunity to participate in a Maths themed activity relating to your child's class topic. We hope that this opportunity will give you an insight into the excellent teaching and learning opportunities that your child is receiving at Kingfisher Hall Academy.

If you are unable to attend and would like more information on our Maths scheme, please arrange a meeting with your child's class teacher.

We really hope you are able to join us and look forward to seeing you there.

Miss Lydia Pavlou

Assistant Headteacher
