

Dear Parent/ Carers,

We have all been coping with the effects of COVID over the last months and it has affected us all in one way or another, whether directly or indirectly. The important thing to remember is that even though Kingfisher Academy is closed we are still working hard for our families to provide support. Not only in learning for the children but also to support any families experiencing financial hardship in these difficult times.

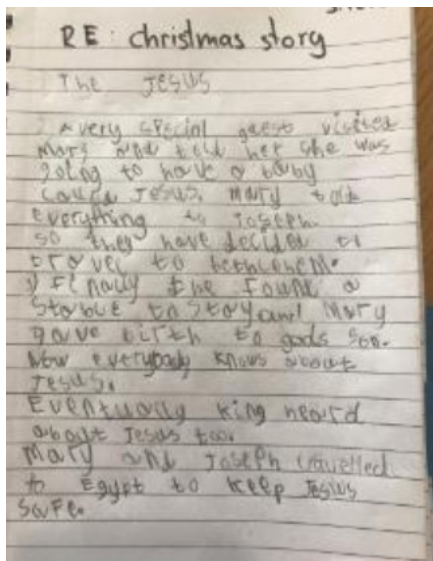

Kingfisher Hall is a central part of our community and we will continue to do what we can for all.

Although the school building may be closed the learning continues and I thought you would like to see some of the wonderful work your children have been doing at home.

Thank you for your continued support

Mr M Clifford

Year 2

Children in Year 2 were learning about the Christmas Story in RE and in Maths they were practising division by sharing.

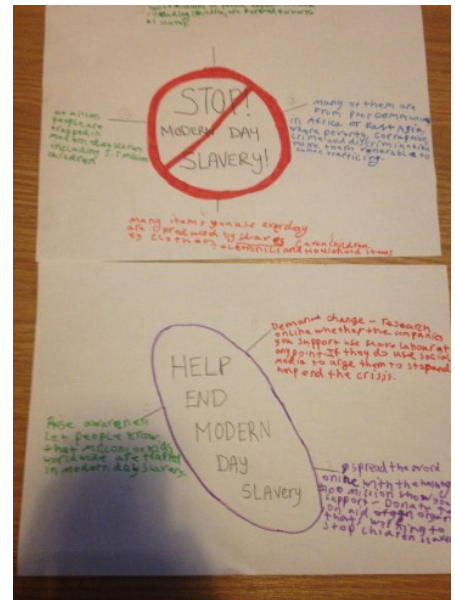

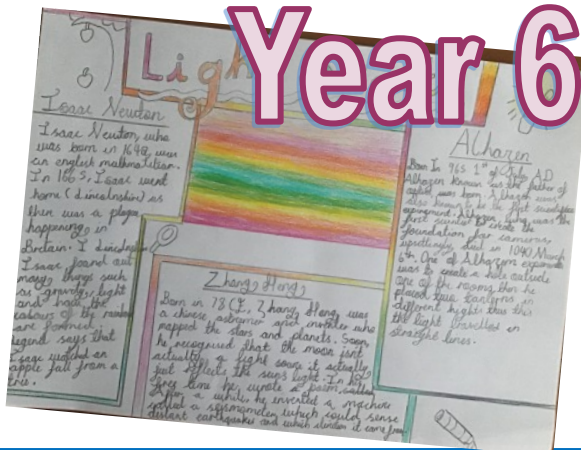

Reception

Children in Reception have been learning all about money in Maths and have been illustrating their story book!

Year 6

In Science, Year 6 have been learning about light and they have also been studying modern slavery

Online learning Gallery

Year 1

Year 1 have been learning about
3D shapes and rewriting well
known stories

Year 5

In Science, Year 5 have been investigating friction and the children have designed a shoe that can be used in snow and ice

Year 3

Wow, some great cave Art and information
Posters from Year 3!
