

Confirmed case of COVID-19 in the school- Kingfisher Hall Academy

25th November 2020

Dear Parent/Carer,

We have been advised by Public Health England that there is a confirmed case of COVID-19 within the school.
The confirmed case is in Year 6.

As your child is in the same bubble as the confirmed case, in line with national guidance, your child must now

stay at home and self-isolate until Thursday 10th December.

You must not bring them into school. Your last day of self-isolation is **Wednesday 9th December**. Your first day back at school is **Thursday 10th December**.

If your child is well at the end of the 14-day period of self-isolation, then they can return to usual activities, including school. ***Other members of your household can continue their normal activities provided your child does not develop symptoms within the 14-day self-isolation period.***

Please see the link to the PHE Staying at Home Guidance. Read the guidance [here](#).

What to do if your child develops symptoms of COVID 19

If your child develops symptoms of COVID-19, they should remain at home for at least 10 days from the date when their symptoms appeared. All other household members who remain well must stay at home and not leave the house for 14 days.

The 14-day period starts from the day when the first person in the house became ill. Household members should not go to work, school or public areas. Household members staying at home for 14 days will greatly reduce the overall amount of infection that they can pass on to others in the community.

If you are able, isolate from vulnerable individuals (such as the elderly and those with underlying health conditions) living in your home, please do so during your isolation period.

Symptoms of COVID 19

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- New continuous cough and/or
- High temperature
- Loss of, or change in, your normal sense of taste or smell (anosmia).

If your child or anyone in the household does develop symptoms, you can seek advice from NHS 111 [here](#).

Home Learning

The children will be expected to complete all their lessons on DB primary at home whilst self-isolating. The children must continue to learn from home and work with you.

Your child will be receiving a timetable of lessons and you will be sent more details of these tomorrow.

It is extremely important that your child continues to learn at home and you will receive a separate letter about this tomorrow.

I understand that self-isolation may cause disruptions to you and your work and family life and so please remember we are all here to help if you need it. Please reach out to the school if there are any problems.

If you have any queries about this letter, please contact the school office

Mr M Clifford

Headteacher
