### **Home Learning Exercise Books**

Dear Parent/ Carers,

Thank you to all of you who are ensuring your children are engaging in their home learning. I know it is not easy juggling all the demands of life and trying to get your children to complete their home learning tasks. It is important though!

The government have asked the schools to provide at least three hours of activities per day (four in KS2) and we appreciate your efforts.

We have prepared packs of exercise books for your children to use for their home learning so that it is all in one place. It also contains a pencil.

You will soon receive a text letting you know when they will be available for collection. We have staggered times to prevent congestion and if you have more than one child you can pick all your packs up at the same time.

Thank you for your continued support

Mr M Clifford

Headteacher
