

School Barrier Volunteers

Dear Parents,

In order for us to maintain the safe and calm atmosphere outside the school at the beginning and end of the day we are desperately seeking volunteers to help our amazing team of parents who oversee the road closure barriers in The Ride. We have seen such a difference in the well-being and safety of our children since the Street School system was introduced and have the small team of volunteers to thank for this.

Unfortunately, if we cannot find anyone else to help we are in danger of **losing this scheme** and that would be a catastrophe for the school. We do not want to go from this...

back to this. A blocked, polluted street with two children in three years knocked down by cars and hospitalised!

I am totally relying on your generosity of time to help our children. Even if you can only spare one hour per week it will make an amazing difference!

If you can help our dedicated team, please contact the school office and feel proud that you will be helping to keep our community safe. We will even supply you with lovely coffee and biscuits!

Be amazing and call us now to volunteer. ***We need you!***

Thank you for your continued support,

Mr M Clifford
