

Bread Making & Tasting

Dear Parent/Carer,

As part of our DT curriculum, year 2 children will be tasting and creating their own loaves of bread this half term. Throughout our unit the children will be sampling a variety of different breads. None of these will contain **nuts** or are produced in factories that contain nuts. The breads are produced in factories that contain milk and seeds. Please look through the product information to ensure the products and ingredients are suitable for your child.

If there is a product here that your child cannot eat, **please let the class teacher know or the school office as soon as possible or by Monday 22/03/2021.**

	<p>Produced in a bakery which uses milk and sesame seeds.</p>
	<p>Produced in a bakery which uses milk, sesame seeds, and barley.</p>
