

New Kingfisher School Uniform range - families to save around 50%

Dear Parents/ Carers

I am delighted to inform you that there will be a new, much cheaper and much smarter Kingfisher school uniform range available from Smiths School uniform shop in Enfield Town from February 11th. The very good news is that our families can expect to save around 50% on annual uniform costs.

Parents have told me how expensive the school uniform is - as so many school uniforms are - and I have wanted to address this since I arrived as headteacher. The Trust, which manages our school, has been talking to suppliers to get the costs of all uniform items reduced and decided to allow families to buy many non branded items.

I'm sure you will agree the main new uniform items look extremely smart as well as being cheaper than the existing one. The early feedback has been extremely positive.

Your savings should also be significant. You will no longer need to buy 3-5 red logoed polo shirts at £7.95. In addition, you will save on your child's PE kit. Buying a plain white tee-shirt, instead of the yellow logoed PE top, gives you a further saving of £7.95.

You can now buy items such as your shirts from your chosen high street shop, saving yourself over £37 per child.

The reduced prices of the branded items are below:

Grey with school logo V Neck Sweater - £10.95

Grey with school logo Sweater Cardigan - £11.95

Bespoke Tie - Velcro/Standard - £4.50

The new jumper, cardigan and tie can now all be purchased from Smiths School wear in Lancaster Road, Enfield.

Please note that this uniform is ***not compulsory until the next academic year in September 2022*** but the old uniform is no longer in stock so if your child needs any new items of uniform this year then you will be purchasing the new uniform. For the remainder of this academic year there will be a mix of uniforms as we transition to the new one. The new uniforms will be on display outside the school. You can also speak to the office.

Thank you for your continued support.

Mr Clifford
