

Kingfisher Hall Learning Grid: Spring 2, Year 6

Fit and Fabulous

Force for positive change: This term, the children will be learning about keeping fit and being healthy. As part of their learning, they will be raising the profile of the salad bar and vegetables during school lunch by creating a video advert to be viewed in each class around the school.

Key Dates:

20th February – Year 6 Safe Schools Workshop
7th March – Parent Consultations
4th – 11th March – Reading Week (Including World Book Day)
18th March – Red Nose Day

Maths

In Maths this term, the children will be revising their knowledge and skills of Fractions, decimals, and percentages, including multiplying and dividing fractions. We will introduce ratio and proportion and look at how we can use this knowledge to solve more complex problems. We will also be looking at co-ordinates, translation and reflection of 2D shapes as well as look at statistics and measurement.

English

In English this term the children will be using the book 'Pig-Heart Boy' by Marjorie Blackman as their core text for reading and their stimulus for writing. They will answer a variety of comprehension questions about the events, characters and mood of the story. They will be writing their own dilemma story as well as writing a balanced argument about whether organ donation should be compulsory.

RE: Sikhism

This term the children will be looking at commitment to faith and how Sikhs put their belief into action within their communities. We will also look at pilgrimages and why Sikhs travel.

Animals Including Humans

Through this unit, the children will learn about the Circulatory system as well as the impact of diet, exercise, drugs and lifestyle. They will also learn about the bodily journey of nutrients and water.

Music

This term, the children will be using the keyboards in order to identify notes of different durations. They will also learn to read different musical notations and build up to playing a 3, 4 and 5 note piece.

Physical Education

Outdoor: Net & Wall

In this unit, children will develop their tennis skills, building up to match play. They will develop their forehand and backhand shots for consistency and control and practice their rally techniques.

Indoor: Gymnastics

This term, the children will continue to develop their skills in gymnastics by creating a partner sequence with actions such as: Body shapes, Travel, Balance and Rolls. The children will also practice and refine jumping, leaping and landing techniques.

PHSE: Healthy Me

This term the children will be looking at how substances can affect the body and how to take personal responsibility for their own well-being. They will look at exploitation, including 'county lines' and gang culture as well as dealing with emotional and mental health and managing stress.

Spansih

This term, the children will be learning how to say different jobs and express what they would and wouldn't like to do. They will also learn to name places within a town and give directions using cardinal locations (N, S, E, W).

Computing: Spreadsheets

This unit introduces learners to digital literacy and how to create and interpret spreadsheets. They will use programmes such as excel and google sheets to clarify data and explain that formula can be used to calculate data. The children will also apply formula to a spreadsheet that they have created for an event and choose suitable ways to present that data.
