Main street gates open at 8:25
Doors will open at 8:30am
- COLLECTION-
Gates open at approx. 3:05pm
END OF DAY 3:10pm
- LUNCH TIME-
- PE DAYS- Wednesday (Indoor), Fridays (outdoor)
- No Smart phones!

Autumn 1 Learning

Kingfisher Hall Learning Grid: Autumn Term 1, Year 6 All Creatures Great and Small

Force for Positive Change

The children will be designing and making their own small frame structure to keep wildlife safe in their habitats. The children will be leaving these structures in the EYFS/KS1 garden for the duration of the winter.

Key Dates

1st, 2nd, 3rd September - INSET days
11th September - Meet the Teacher and secondary transfer meeting
12th September - Roald Dahl Day 19th September - TTRockstar Day
26th September - MacMillan Coffee morning & Google Classroom workshop
16th October - Parent Consultations

Maths

This term, children will develop their understanding of place value, decimals, and measurement, including converting units and working to three decimal places. They will use mental and written methods for addition, subtraction, multiplication, and division, including long multiplication and division. Children will also compare, convert, and calculate with fractions, decimals, and percentages.

English

In English this term, the children will be reading **Beetle Boy** by M.G. Leonard. This book will be used both during their daily reading sessions and as inspiration for their writing. The focus writing genres will include a narrative quest story and an explanation text about animal habitats and how to keep animals safe.

History / Geography: Benin

This unit provides children with the opportunity to look at a comparative study of Benin, a non-European society, and their own. The arrival of the Eweka Dynasty in the 12th century is related to the history of Benin together with a broad-based understanding of Africa from earliest times to the present day. The children will investigate and interpret a range of sources including pictures and written accounts, together with oral tradition.

Science: Living things and their Habitats

Children will know how living things are classified into broad groups according to common observable characteristics; based on similarities and differences, including micro-organisms, plants and animals. They will give reasons for classifying plants and animals based on specific characteristics. Children will explore the classification of vertebrates and invertebrates and apply the process to plants and microorganisms.

PHSE: Being Me, My World

This term the children will be learning about other people's feelings and developing their own skills.

Physical Education:

Outdoor: Invasion Games (Netball)

Pupils will consolidate their understanding of the principles of attack and defence. They will consistently apply a range of effective passes, to keep possession and score.

Indoor: Games (Health Related Exercise).

Pupils will refine life skills such as respects and communication as they encourage their partners through the circuits

DT: Frame Structures

This term the children will design, make and evaluate their own small scale wildlife area. They will consider purpose and effect and use a range of skills to construct a frame structure.

Spanish:

This half term, children will revise vocabulary related to hobbies, leisure activities, sports, professions and family members, while also learning to express opinions and preferences. They will consolidate their knowledge through recap activities that reinforce and apply prior learning.

Music

In music, year 6 will be learning how to hold and position a djembe drum and listen and imitate different rhythms. They will perform a rhythm with a double hit and improvise original rhythms. In addition, the children will perform an ostinato on untuned percussion

RE: Judaism

This term the children will be learning about key festivals of the Jewish faith, including: Rosh Hashanah; Yom Kippur and Shabbat.

Computing: Web Page Creations

The children will be using Google Sheets to create web pages for all Primary Parliament candidates. This will include a "How to" page for the school website and home learning.

Reading

- Reading is one of our key drivers
- Read every day at school and at home
- Levelled Read & Library book
- Reading Records
- Reading Challenge

This is where you will see notifications of homework tasks.

Click on 'Classwork'
You can see the homework tasks that has been assigned

Google Classroom

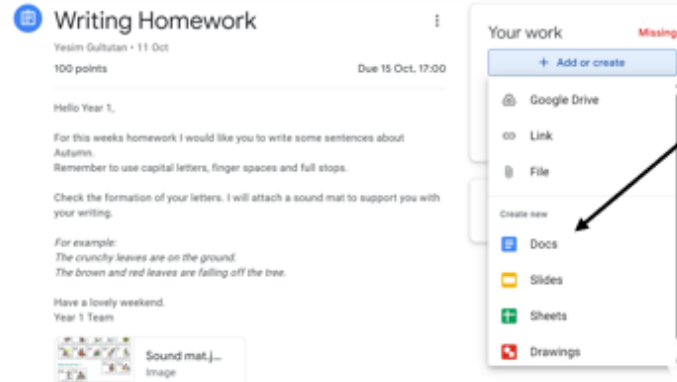

How to submit the homework?

1. Click 'View Instructions'

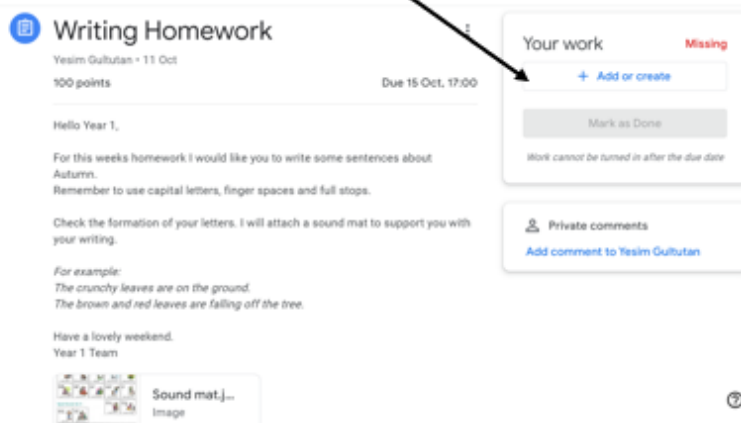

3. Click on the assignment type you have been asked to complete.

For example, 'Docs'

2. Click 'Add or create'

4. Once you have completed your work click 'TURN IN'

5. Confirm and click 'Hand in'

Hand in your work?

1 attachment will be submitted for "Writing Homework".

Timetable Rockstars Day
Friday 19th September 2025
Dress up as a rockstar/popstar!

There will be a family learning morning for you to come and join your child in learning about timetables in a fun, exciting and engaging way!

Family Learning

- Look out for information and dates.
- Opportunities for you to come into school to learn with your child.
- Opportunities to develop your own skills to support your child at home.

School Uniform

- Grey jumper / cardigan with school logo
 - White shirt
 - School tie
 - Grey trousers/ skirt/ pinafore dress
 - Grey or white socks or grey tights
 - Black shoes
-
- Grey shorts
 - Red and white gingham summer dress

PE Kit

- Plain round neck white t-shirt
- Navy blue shorts
- Navy blue Jogging bottoms
- Navy blue sweatshirt
- Black trainers

Uniform reminder slips will be sent home when needed.

Attendance and Punctuality

- We believe that regular attendance is clearly linked to pupils making good progress in their learning.
- It ensures that pupils settle into school and experience the stability and security they need in order to achieve their best.
- At a minimum we expect children to be in school for 96% of the time. This can still equate to 8 days of learning missed.
- If your child's attendance drops down to below 90%, this means almost 4 weeks of lost learning!

Every minute counts!

- If a child is late every day, their learning as well as the other children in the classroom is disrupted. Below is a graph how being late to school every day adds up to lost learning time.

School Office

8:00-9:30am

2:30-3:30pm

Phone: 0208 344 9890

Email at kingfisher@northstartrust.org.uk

Arbor Parent App

- Please download the free Arbor app.
- It will save the school lots of money as we can send free in app messages to you.
- You can view information about your child on the app.
- You can pay for school trips and clubs on the app.
- Please speak to the office if you need help.

Heron Hall Open Evening

Our secondary school – Heron Hall Academy, will host an open day on

Monday 29th September, 5:30-7:30pm,

for all year five and year six parents.

This is a great opportunity to look at the brilliant facilities

and the new sixth form.
