Rockstar Day

Dear Parent/Carer,

Following the success of this event last year, we are thrilled to announce our upcoming event 'Times Tables Rockstars Day.'

Get ready to unleash your child's inner rockstar!

On Friday 19th September, we invite ALL children to come to school dressed as their favourite rock or pop star. Think glitter, sunglasses, outrageous outfits - the more outrageous, the better! It's a day to let their inner rockstar shine.

Times Tables Rockstars is a fun and interactive online platform that children can use at school and at home to practise their number skills and timetables.

As children play, they'll not only sharpen their mathematical skills but also contribute to their own individual score and their class score.

On the day, we welcome you ALL to come into school and see how your child can access this online resource, learn times tables or develop early number skills with their classroom.

We look forward to seeing you on Friday 19th September at 8:40am in the school hall for an introduction before you go and explore number skills and timetables with your children.

For the children, there will be prizes for the best dressed and for those who work the hardest while playing TTRS.

If you any questions, please speak to your child's class teacher.
