Class Fundraiser- order your child's own artwork

Dear Parents/Carers,

Through Class Fundraiser you have the opportunity to buy a variety of products that have your child's own artwork printed on them.

At school, your child has created their own design and Class Fundraiser will take their masterpiece and turn it into keepsakes that you will love. You can purchase these products for yourself or as gifts for friends and family.

Today, your child will come home with their order card, their design code and an image of their design.

You need to approve your child's artwork at <https://shop.classfundraising.co.uk/unlock>.

Once your child's artwork is unlocked, you will receive a link to the online shop to place your order. All payments are made securely online at the time of ordering.

You need to **make your order by midday on Friday 14th November** to ensure it can be delivered for free to school.

Every order raises money for our school.

If you have any questions, the office will do their best to support you. However, orders and payments are direct with the Class Fundraiser company.

I hope you support us in raising vital funds for the school as well enjoy and share your child's amazing artwork.

Kind Regards,
Gemma Vincent
