Force for positive change: Race Against Hunger

In one of the richest economies in the world, one in seven people are experiencing food insecurity, many of them going hungry due to lack of money. Food banks are stretched to breaking point to meet what we now know is just a portion of potential overall need in the UK. Following last year's success, on Thursday 21st May, we will support the Trussell Trust in another Race Against Hunger fundraising event. We will send out more information nearer the time but please save the date and get your trainers ready!

Key dates

Hispanic culture day: 17th April
Class Photos: 23rd April
Kingfisher's Got Talent: 30th April
Bank Holiday: 4th May
Wesak: 1st May

KS2 SATs: 11th – 14th May
TFL Workshop: 19th May
Race Against Hunger: 21st May
INSET day: 22nd May
Half Term: 25th May

Maths

This term the children will continue to revise and consolidate their Arithmetic skills, focusing on number, fractions, decimals and percentages and the four operations. They will also look at revising reasoning skills using their knowledge of geometry, algebra, measure, ratio and statistics.

English

In English this term the children will be using the book '*The Nowhere Emporium*' by Ross MacKenzie as their core text for reading and their stimulus for writing. They will answer a variety of comprehension questions about the events, characters and mood of the story and will be writing their own fantasy portal story as well as a newspaper article about the events of the story.

Art: Skyline Drawing

The children will use their understanding of colour, line, tone, pattern, shape, form, space and texture to create art in the style of Stephen Wilshire. They will use perspective and proportion to create their own dream skyline.

Music

This term, students will build on prior learning while developing playing technique. They will play melodies using steps and skips (ascending and descending), learn to form chords, and use them for accompaniment, including working with a partner.

Physical Education

Tennis

This term in PE, we will focus on tennis, developing our shot techniques and learning to think tactically about which shots to play and where to aim to win points. Pupils will apply tactics in singles and doubles games, organise and umpire mini matches, and combine their skills in a class tournament.

Dodgeball

Children will refine their attacking and defensive skills by understanding and applying effective tactics and strategies in game situations. Additionally, they will enhance their awareness of the importance of swift transitions and consolidate their knowledge of the rules; talking greater responsibility for officiating and managing their own games.

Spanish

This term, the children will identify and locate various Spanish-speaking countries, with a special focus on Cuba. They will learn key facts about the country, explore elements of Cuban culture, and discover traditional Cuban clothing and festivals. Additionally, they will celebrate Hispanic culture as part of our whole school Hispanic Culture Day.

PHSE: Relationships

Through discussions and teaching, the children will enquire what is meant by 'Mental Health' and discuss their own Mental Health. They will also focus on: Love and Loss; Power and Control; being safe online and using technology responsibly.

P4C

This term in P4C (Philosophy For Children), we will explore big questions about identity, fairness, and influence. We will discuss who we are and whether our identity can change, what makes things fair or equal, and how social media and others can influence our thoughts and choices.

This term, children will continue to take part in additional revision sessions for reading and maths. Using gap analysis from Spring 2 assessments and class learning, they will complete tailored tasks on SATs Companion and receive extra small group or whole class input.
