KHA Cultural Day

Dear Parents and Carers,

We are delighted to share the details of our annual Cultural Day on **Friday 19<sup>th</sup> June**.

At Kingfisher Hall Primary Academy, we believe that multiculturalism is at the heart of our school community. Celebrating our diverse backgrounds not only enriches our students' learning experiences but also fosters a sense of unity and mutual respect. Understanding and appreciating different cultures is crucial in preparing our children to thrive in an increasingly globalised world.

We hope you will join us in this celebration of culture and community. Your participation and support are vital in making this day a memorable success for our children.

**Highlights of the day include:**

**Immersive Classroom Activities:** Students will explore, as part of the geography curriculum, our connections with people and places, the goods we consume and the geography all around us. Children will also get the opportunity to visit a few other classrooms in the morning and learn about a variety of different countries.

**Special Lunch:** There will be a delicious selection of Bengali dishes as a special menu on the day.

**Fashion Show:** A spectacular display of traditional attire from around the world, showcasing the beauty and diversity of our school community.

**All children should come to school dressed in an outfit that represents them, their culture/ heritage.**

**Music:** Some year groups will have the opportunity to take part in a Turkish percussion workshop.

**After-School Festivities:** From **3:10pm to 4pm**, join us in the **KS2 playground** for a variety of exciting activities, including a food sale, tribal face painting, henna art, dancing and musical performances including a Darbuka drum performance and a djembe drum performance led by Mr Okine at **3:30pm**.

**Support and donations:** We kindly ask for your support in making this event a success.

We would love for as many of you as possible to give some time to spend in your child's class and share elements of your own culture. This could be sharing a story, singing a song, talking about an important festival that you celebrate. Please speak to your class teacher if you would like to share and support the celebrations.

We would also greatly appreciate any donations of traditional dishes for our after-school food sale and any support helping at one of our stalls, it would be greatly valued.

**Please, bring any food donations to the school office at 2.15pm.**

**Important Reminder:** To guarantee the safety and well-being of all our community, please ensure that any food donations are clearly labelled with **all** ingredients, and they **must be nut-free**.

Thank you for your continued support.

Miss G.Vincent  
Headteacher
