Year 5 Curious Maths Quiz

Dear Parents and Carers,

We are delighted to inform you that your child has been selected to take part in the finals of the Curious Maths Quiz for Year 5.

Your child will represent Kingfisher Hall in a competition at Woodpecker Primary School, where they will compete against pupils from two other schools within the trust.

Your child will be part of a team of four from the year group. There will be eight children representing the Year group and there will be another eight children from Year 6 to cheer them on as they participate.

The children **will not** need a packed lunch as it has been arranged that they can eat lunch with the other children from Kingfisher Hall in the canteen at Woodpecker Hall.

The children from Years 5 and 6 will travel together by bus with adults from Kingfisher Hall. Your child will need to be in school (Kingfisher Hall) on time, at 8:30, to leave with the group.
