Year 1 visit to Little Angel Theatre

Dear Parents/Carers,

As part of our learning journey this half term, 'Animal Magic', the children will be visiting the Little Angel Theatre in Islington.

Throughout the term, they will be exploring puppets and their role in theatre performances. The children will have opportunity to investigate how puppets are designed and made, linking this learning to their study of Annie Albers and weaving techniques. They will then apply these skills and ideas to create their own puppets.

This visit will be a fabulous opportunity for the children to experience puppetry in a professional theatre setting, bringing their learning to life and inspiring their own creative work. It will also provide a memorable way to celebrate and consolidate their learning from across the year, helping to round off their time in Year 1 before they embark on the exciting transition to Year 2.

Details are as follows:
