Year 3 Science Visit

Dear Parents/Carers,

Due to the recent hot weather, many of the plants at Ponders End Park have unfortunately been affected, meaning there is now limited variety for the children to explore. To ensure the best possible learning experience, we have changed our destination to Myddelton House Gardens, where there is a wider range of plants, trees, and flowers.

During the visit, the children will explore different types of plants, trees, and flowers. They will learn about how plants grow, the parts of a plant, and why plants are important for our environment.

Details are as follows:

- **Date:** Wednesday 20th May 2026
- **Place:** Myddelton House Gardens
- **Travel:** Bus and walk
- **Cost:** Free
- **Time:** During the school day
- **Lunch:** The children will be provided with a packed lunch from school. Children are welcome to bring their own packed lunch from home; please ensure there are no nuts or fizzy drinks within this.
Please let us know if you are providing a lunch from home.
- **Clothes:** The children need to **wear school uniform**, comfortable **walking shoes** (preferably trainers) and a **jacket** with a hood.

Please sign into Arbor to give permission for your child to attend this trip.

If you are able to support this visit, please speak to your class teacher as soon as possible. Thank you for your support.

Yours sincerely,
The Year 3 Team
