

Year 5 Visit to Science Museum

Dear Parents/Carers,

To support our Science unit on **Earth and Space**, we are delighted to inform you that we have arranged an educational visit to the **Science Museum** in London.

This visit is a wonderful opportunity for the children to enhance their classroom learning. Having explored the movement of the Earth and other planets in our solar system, this visit will allow the children to see the scale of space exploration firsthand. From viewing iconic rockets to examining how astronauts survive in orbit, the museum's galleries offer a unique perspective on the scientific concepts we have been exploring in class.

Details are as follows: -

Date: Wednesday 1st July 2026

Time: 9:30 - 3pm (approx.)

Location: Science Museum - London

Travel: TfL

Clothing: Full school uniform (not PE kit), coat and comfortable walking shoes (trainers)

Food: All children will need a healthy mid-morning snack and a labelled bottle of water.

The school will provide a free packed lunch for all children. However, if you would like to provide your own packed lunch, please let your class teacher know.

Please note no nuts, sweets or fizzy drinks.

Cost: Free

Please sign into Arbor to give permission.

If you can volunteer for the day, please speak to your class teacher. We will let you know if you have been selected.

Thank you for your support,
Miss Lasher and Miss Pike
