

**Rescheduled Year 5 Visit to Southend-on-Sea**

Dear Parents/Carers,

We are happy to share that we have been able to reschedule our trip to Southend-on-Sea and the Sealife Adventure for Thursday 7<sup>th</sup> May 2026.

As you are already aware, this is a fantastic opportunity for the children to gain first-hand experience of a local coastline and conduct the necessary fieldwork to support their geography education.

You do not need to do anything to give permission for your child to attend, as your consent from last half term is still applicable. Please speak to your class teacher if you have any questions.

**Details are as follows: -**

**Date:** Thursday 7<sup>th</sup> May 2026

**Time:** 9:00am - 3:30pm (approx.) We will confirm an estimated time of arrival back at school once we have left Southend-on-Sea.

**Location:** Southend On-Sea and the Sea Life Centre

**Travel:** Coach

**Clothing:** School uniform and comfortable shoes

**Food:** All children will need a healthy mid-morning snack and a labelled bottle of water. The school will provide a free packed lunch for all children. However, if you would like to provide your own packed lunch, please let your class teacher know.

**Please note no nuts, sweets or fizzy drinks.**

**Cost:** If you paid the £18 voluntary contribution last half term, thank you. If you did not pay the full £18, please log into Arbor to do so.

We will first be offering the same parents/carers the chance to support on this trip. If additional adults are needed, we will let you know.

Thank you for your continued support,  
Miss Lasher and Miss Pike
