Dear Families,

We are looking forward to seeing lots of you at our Summer Fair this Saturday 11th July. The fun begins at 12pm. Please come and support us in raising vital funds for the school. This year the funds have supported to buy new PE equipment, lunchtime equipment and resources for wellbeing.

As I am sure you have seen, there has been a national delay in the release of the Yr 6 SATs data. We are now expecting to receive this data on July 16th. However, this delay will not stop us from acknowledging the hard work of our year 6 children and celebrating the end of their primary journey. Please join us after school on Friday 17th July to say goodbye to the Yr 6 children in the KS2 playground at 1:30pm. Years 1-5 will be there and will be dismissed from the KS2 playground after our farewell tunnel at 1:30pm.

I would like to share with you some lovely photos from our blooming roof garden, and I would also like to thank a Yr1 parent for their recent donation of tomato plants.

I wish you all a very happy and safe summer break.

Take care and see you all on
Monday 7th September.
G.Vincent

Mental Health and Well Being

The end of an academic year brings a range of emotions. It is a time for reflection and celebrating achievements, as well as excitement with the summer holidays on the horizon. However, it is also a time of change and upheaval which can feel difficult and cause anxious feelings. This link may be useful to support you over the holidays.
