Dear Parents/Carers,

Welcome back to a new academic year! We hope you've all had a wonderful and restful break and are feeling refreshed and ready for the year ahead. We're so excited to welcome our families back and look forward to another year of learning, growth and exciting opportunities.

We would like to welcome all parents into school to meet their child's new class teacher and SLT team. This is a great opportunity to find out what will be covered this year and to ask any questions you may have. Coffee, tea and biscuits will be provided for everyone.

### **Arbor App- Parent Portal**

All parents need to download the Arbor Parent Portal App to their smartphone, as this is the main way that the school sends important messages and updates. The App is simple and easy to use and it allows you to pay for school trips and you can book your child's place on after school clubs and activities. The office will be able to support you with setting this up. If you have any difficulties, please pop in and a member of the team will be happy to help you.

### **No Smart phones in school**

As per the letter we sent out last year, most schools in Enfield, including Kingfisher Hall, will not be allowing children to bring smartphones into school. For those children who have an agreed risk assessment in place enabling them to walk to and from school on their own, a 'brick' phone can be brought into school. This has no internet connection and no apps

installed. We hope that you will support us in our aim to make sure that your children are happy and safeguarded by being smartphone free. This also includes Smart Watches.

### School office

If you would like to speak to the office staff, they are more than happy to speak to you in person between 8:00am and 9:30am or between 2:30pm and 3:30pm. If you need to speak to them at a different time, please contact them on 0208 344 9890 or by email at [kingfisher@northstartrust.org.uk](mailto:kingfisher@northstartrust.org.uk)

### KS2 Results

Below you will see a table showing provisional school and national results for 2026, which will allow you to make a comparison with children in our school and children across the country.

As a school, we are delighted with Kingfisher's outcomes, which are significantly above the national average in all areas.

This includes teacher assessment for Writing and Science and SAT results for Reading, Maths and Spelling, Punctuation and Grammar.
