Greener Schools Assembly and Workshops

Dear Parents/Carers,

I am delighted to inform you that we have Greener Schools visiting Kingfisher Hall on Thursday 24th September. Greener Schools support schools to educate and inspire pupils in environmental issues. They do this through fun and engaging assemblies and workshops.

Children in Year 1 to Year 6 will take part in a school assembly on waste and recycling which then be followed by class-based workshops for Year 3 and Year 4 throughout the day.

If your child is in Year 3 or Year 4, they will need to bring an empty, clean, plastic milk bottle to school that they can use in the workshop.

If you have any questions, please do not hesitate to get in touch.

Kind regards,

Miss G Vincent
Headteacher
