Year 5 visit to Heron Hall Academy

Dear Parents/Carers,

On Friday 9th October, Year 5 will take part in an amazing, Science Day at our sister school Heron Hall Academy.

The theme will be a Crime Scene Investigation, where students will step into the shoes of forensic scientists to solve a mystery. Through three hands-on experiments, they'll collect and analyse evidence to uncover clues and determine who is guilty of the crime. This exciting session has been designed to help children with transitioning from primary school to secondary school and give them the opportunity to explore what the school offers including the use of their facilities.

Date: Friday 9th October 2026

Time: During the school day (9am-12pm)

Travel: Walking

Location: Heron Hall Academy

Cost: Free

Clothing: School Uniform

If you can help accompany the children on this visit, please speak to the year 5 team as soon as possible.

Yours sincerely,
The Year 5 Team
