Year 2 visit to Tesco

Dear Parents/Carers,

As part of our science learning this half term, we will be taking the year 2 children on a visit to Tesco. During this trip, they will be learning about what makes a healthy body and how the foods we eat play an important role in keeping us well.

The children will spend time exploring the different types of foods available and discovering which ones contribute to a balanced, healthy diet. They will also have the opportunity to choose their favourite healthy food item to share with the class.

Details are as follows:

Date: Thursday 24th September 2026

Place: Ponders End Tesco

Travel: Walk

Cost: £0

Time: 9:30-11:30am

The children will need a **water bottle** and comfortable **walking shoes** (preferably trainers). The children need to **wear school uniform** and a **jacket** with a hood advised in the event of rainy weather.

If you can support this visit, please speak to your class teacher as soon as possible.

Thank you for your support.

Yours sincerely,
The Year 2 Team
