Art Competition: Calling All Artists!

Do you love drawing, history and being creative? If so, we would love you to take part in an exciting drawing competition run by The Don Hanson Charitable Foundation.

Task: Create a drawing of a historical or archaeological ruin. This could be a famous ancient building, castle, temple, monument, ruins of a lost civilisation, or any other historical or archaeological site that inspires you.

You can use your imagination and artistic skills to bring the ruin to life. Think about its history, what it may have looked like in the past, and the people who may have visited or lived there. Grab your pencils, crayons, colouring pens or paints and create your very best artwork!

As a school we will submit any entries on your behalf.

All entries must be submitted to your child's teacher by **Friday 2nd October**.

Any late entries will not be able to be included.

Winners will be announced by the charity on Friday 23rd October 2026, and we will let you know after the October half term.

Amazing Prizes:

The winning children will receive a **special certificate and medal** to celebrate their achievement as well as winning a voucher for the school to use on art resources.

We can't wait to see your amazing drawings and discover the historical and archaeological ruins that inspire you!

Good luck, have fun, and get creative!

Yours Sincerely,
Miss G. Demetriou
