Friday 27th November 2026

Dear Parents and Carers,

Free Breakfast Club – Important Information for Spring Term 2027

We would like to take this opportunity to thank you for your patience and support as we continue to establish our new **Free Breakfast Club**.
We have been delighted with the fantastic response, welcoming a large number of children each morning. Our team has worked hard to ensure that all children receive a healthy breakfast on arrival, alongside a variety of fun and engaging activities.

Changes to our booking system
From next term, we will be introducing a slightly different booking system. Instead of booking places on a half-termly basis, as we have trialled this year, bookings will be made daily. This will allow parents and carers to select the specific days they would like their child to attend.
We have found that the half-termly booking system can make it challenging to manage staffing levels effectively. For example, when children are absent, we may have more staff scheduled than necessary. Equally, when children arrive without a booking, this can result in insufficient staffing and impact on our required staff-to-child ratios.
Moving to daily bookings will help us plan more accurately, ensure we have the appropriate number of staff each morning and continue to provide a safe and enjoyable environment for all children.

New arrangements from January 2027
From the first day of the Spring Term, **Monday 4th January 2027**, the new arrangements will come into effect.
Our Free Breakfast Club will run from **8:00am until 8:30am** and will be fully integrated into our existing Breakfast Club provision.
For families who use our wraparound care, children attending between **7:30am and 8:00am** will automatically transition into the Free Breakfast Club from 8:00am. Please note that the existing charge of **£2.00** will still apply for children attending between 7:30am and 8:00am.

What does the Free Breakfast Club offer?
For families who are new to the provision or have not yet had the opportunity to sign their child up, our Free Breakfast Club provides a lovely opportunity for children to enjoy a relaxed and positive start to their school day.
Alongside a healthy breakfast, children can enjoy playing games, socialising with their friends and taking part in quieter activities such as colouring and reading. These activities are designed to help children feel happy, settled and ready to begin their day at school.

We will be contacting families shortly with further information about when bookings for January 2027 will be available through Arbor.

Thank you once again for your patience, understanding and continued support. We look forward to welcoming your children to Breakfast Club next term!

Kind regards,
Miss G Vincent
Headteacher
